1. Purpose. To designate Officers in Charge (OICs) and Coaches of Naval Academy sail training craft (STC) for 15 April to 31 December 2005.

2. Background. Reference (a) requires the Director, Naval Academy Sailing to periodically review the qualification level and standards used to certify OICs of Naval Academy STC involved in midshipman sail training, including racing. Reference (a) further requires those personnel, once certified, be designated in writing before they can be assigned as an OIC. This notice satisfies that requirement.

3. Action.

a. The personnel listed in enclosures (1) through (4) meet the certification requirements specified in reference (a) and may serve as OIC of the class of STC defined therein.

b. All personnel listed in enclosures (1) through (4) shall familiarize themselves with reference (a) and ensure that STC are operated per the requirements defined in references (b) and (c) and, if racing, the applicable Notice of Race/Sailing Instructions.

c. The personnel listed in enclosure (5) are designated as "coaches." These personnel are authorized to assist in Varsity Offshore Team practices, but their presence aboard does not satisfy the requirement for having an OIC aboard. Although they can coach, they have no authority to direct operation of the STC.

d. The Deputy DNAS is authorized to update this list between periodic reissue by pen and ink change.
